Liability Insurance and Hold Harmless Provision

Union County Farmers Market holds liability insurance for the market but not individual vendors. A Hold Harmless clause is included here as part of the Vendor Agreement.

Each vendor participating in the Union County Farmers Market shall be responsible for any loss, personal injury, deaths and/or other damage that may occur as a result of the vendors negligence or that of its servants, agents and employees, and hereby agrees to exonerate, save harmless, protect and indemnify Union County Farmers Market, its successors and assigns, from and against any and all losses, damages, claims, suits or actions, judgments and costs, and attorney's fees which may arise or grow out of any injury or death of persons or damage to property in any manner connected with the vendor's products, operations or vending at the Market.

I have read and agree to the Hold Harmless provision above. I submit that the information provided for my application is accurate and complete. I have been provided with a copy of the Union County Farmers Market Rules and Regulations and I will abide by these rules and all other laws, codes and regulations, to cooperate with the Market management and to pay the required fees. I further agree not to hold the Market or its representatives and employees responsible for any damage arising out of sales of my product or from my presence on the Market Site. The Market recommends each producer carry liability insurance. I certify that I grow and/or produce the products identified above.

By signing this application, I agree to abide by all the rules and requirements of the Union County Farmers Market.

By signing this waiver, I also understand, and give permission, for photographs to be taken at market by Union County Farmers Market staff and volunteers, and used for promotional purposes, including, but not limited to, social media, website, and print advertising.
